Mary Ellen's 1961 Introductions from KNOPF IRIS GARDENS

CATHEDRAL OAKS

(Sdlg. No. 15-E-102) ML 38"

Here is a large, well formed orange yellow that does not burn or fade in the hottest sun. We feel that this is the finest in the yellow class. Perfect habits.
25.00

OUR MEMORIES

(Sdlg. No. 14-H-66) ML 34"

Because this iris reminds us so much of our dear departed loved one, we named it, "Our Memories". A perfect self of the most intense baby pink with ruffling and lacing so heavy you will think it is a double flower. Style arms large and as laced as the rest of the flower. Entirely new in form.
35.00

OUTER SPACE

(Sdlg. No. 15-E-111) ML 36"

Sky blue and laced. Should we say more?
25.00

RHYTHM FIESTA

(Sdlg. No. 14-H-35) EM 36"

Lemon cream, extremely ruffled, wonderful texture and form. Really a fiesta of rhythm.
25.00

SHIMMERING LIGHT

(Sdlg. No. 15-E-95) Santa Lucia x Wild Blue Yonder

38" ML. This one from two grand parents is pure white from the green side. It really shimmers in the Light. Large well formed and well branched on strong plants.

MARY ELLEN'S 1960 INTRODUCTIONS

BLOSSOM VALLEY

(Sdlg. No. 1754) Snow Flurry x Maid of Cotton

Elegant large flaring pure white iris with heavy substance and fine texture. Standards wavy and closed. Falls wavy and flaring. Wide of parts, an iris of good form. Light yellow beard. Branching good. Pods readily, pollen scarce. E.M. 38". Named in honor of my dear friend Peggy Dodson, who originated Blossom Valley Garden Club, of which I am a Charter Member and past president.
25.00

CAMBRIAN CAPER

(Sdlg. No. 14-H-20) (1924 x Tabasco) x Glowing Amber

A novelty in bright red. Falls horizontal and velvety. $\frac{3}{4}$ inch red appendage attached to end of beard. Good substance and texture. Branching good. M.L. 34".
15.00

CAMPBELL COPPER

(Sdlg. No. 17-4-E) Mexico x Argus Pheasant

Brown self of good size and excellent form. Heavy substance and smooth. Standards darker brown than falls, nicely closed and wavy. Flaring smooth brown falls. A beautiful bronze beard sets this wide glistening flower off to perfection. Nicely branched, fertile. M.L. 34"
25.00

EL CAMINO REAL

(Sdlg. No. 15-E-31) Jade Queen x Mission Trails

We are unable to describe El Camino Real and do it justice. Very wide and ruffled. Extremely heavy substance yet fine in texture. A self in very light lavender, pods readily and very fertile pollen. 25.00

Being guested in the H. Castle Fletcher garden in London, England.

EL GATO

(Sdlg. No. 15-E-99) 1891 x 1940

A heavily laced plicata. Cream background overall. Standards cyclamen purple, wide and heavily laced and serrated. Lush thick bronze beard. Falls outlined wide band plum purple (934 Wilson's). Dotting of same color on falls. Maroon hafts (1030 Wilson's). An altogether elegant flower wide of parts and nicely branched on sturdy stalks with 3 buds to a socket. Vigorous and floriferous. Fertile both ways. E.M. 38". 20.00

KEARNIE

(Sldg. No. 14-H-78) 1884 x 1854

Part onco corn yellow self. Shimmering, beautifully rounded flower of unusually heavy substance and fine texture. Very late bloomer. Fertile both ways. V.L. 32" 20.00

KARAKATOA

(Sdlg. No. 15-E-108) (Custard x 1940) x (Sorrel Top x 1940)

As the name implies, something unusual. Another plicata, this one with yellow background. Closed standards laced and dotted brown. Falls stitched on edge with violet, fine brown dotting around bronze beard. Good substance, fine texture. Laced and serrated over entire flower including beautiful style arms. Nicely branched. Fertile both ways. Received the Exhibition Certificate at the Clara B. Rees Iris Society Annual Show in San Jose, California, 1959. M. 34" 20.00

PACIFIC THUNDER

(Sdlg. No. 15-E-90) Pierre Menard x Wild Blue Yonder

Perfectly branched tall strong stalks with large broad midnight blue ruffled and flaring crisp flowers. This is Pacific Thunder. Heavy substance and fine texture. A regal iris. Being guested in the H. Castle Fletcher garden, London, England. 25.00

TENDERNESS

(Sdlg. No. 14-H-44) Jade Queen x Mission Trails

Sibling to El Camino Real. Extremely fragrant very ruffled beauty done in a rosy mauve. A complete self of heavy substance, finest of texture, on well branched stalks. A real breath-taker as were many of this cross. Fertile. V.L. 34". Can be seen in the Schaan's Iris Garden, St. Louis, Missouri. 30.00

CULTURAL DIRECTIONS FOR BEARDED IRIS

1. Must have good drainage.
2. Full sun or not less than half day.
3. Plant rhizome $\frac{3}{4}$ " below surface, spreading roots well. Firm soil well around the roots. Keep moist for at least 2 weeks or until new roots have developed.
4. Plant from 1 to 2 feet apart each way.
5. The soil should be well cultivated in advance with well-rotted cow manure, bone meal, or some well-balanced commercial fertilizer. Iris are happy with phosphate and potash.
6. In keeping your old dried leaves picked off and cleaned up it is not necessary to trim the fans, except when moving the iris, and then only to keep the wind from blowing them over.

GIFT CERTIFICATES

We will be most happy to issue gift certificates to your friends and relatives for any occasion. The iris will then be mailed to them at the proper planting time.

Send us a one year (\$5.00) subscription to A.I.S. plus \$15.00 order from our regular list and we will give you one of our 1960 Introductions plus 1 year subscription to Reg. 14 Bulletin FREE.

For a triennial Sub. to A.I.S. and a \$30.00 order from our regular list. We will include one 1961 Introduction plus 1 year Reg 14. Bulletin FREE.

BARGAIN COLLECTION

We have approximately 400 unlisted good standard varieties which we are selling as a collection of 25 for \$10.00, all labeled and all different, our selection and sent prepaid.

MEMBERSHIP IN THE AMERICAN IRIS SOCIETY IS ONLY \$5.00 PER YEAR.
